

## Parent Satisfaction Survey

---

### How are we doing?

Montgomery County Public Schools would like you to let us know how you rate your child's school. Please spend a few minutes to help us improve our services to you and your family by completing the online 2008–2009 Parent Satisfaction Survey. Families with children attending more than one MCPS school should complete an online survey for each school.

- The survey collects information about your experiences with your child's school.
- Your answers are confidential and will be released only as a collective summary.

### How do I answer the survey questions?

- Please go to <http://parentsurvey.mcpsmd.org>
- Follow the online directions to find the login information for your child's school.
- Use the given login name (school code number) and the password "parent" to start the survey.
- Please complete only one survey for each school.
- If you have children attending other MCPS schools, repeat the process for each school.

### What if I don't have a computer?

- If you do not have access to a computer, please visit your child's school and ask to use a computer, or visit your local library.
