### **MOTION REGARDING CURRICULAR FEES**

Students are entitled to a free public education. As MCPS and the Board of Education review changes to the policies and/or procedures regarding curricular fees, MCCPTA wants to ensure that these changes do not result in any reduction in the level of services as it relates to any of the following:

- 1- the quality of instruction,
- 2- the quality of the curriculum,
- 3- the assortment of course offerings,
- 4- the level of student achievement.

MCCPTA, parents and students should be notified of any proposed changes to policies and/or procedures regarding curricular fees. These stakeholders should have an opportunity to provide public comment before any new procedures are put into place.
